

Opening 開放

- **Definition of “Full Open”:** Our Full Open approach means that we will no longer have capacity restrictions or pre-registration for any gatherings, yet we are committed to maintain safety protocols and virtual ministry gatherings in the time of transition.
- Our desire for the Full Open is to have all ministries fully functioning in person, while supporting individual ministries as each work to preserve virtual gatherings for the needs of brothers and sisters where needed.
- Our desire is for our church to move together in unity and grace and prayerfulness throughout this time of transition.
- We will begin with Sunday Worship and then encourage all ministry leaders and their teams to work with thoughtfulness for the good of the body towards the Full Open.
- **「全面開放」的定義:** 全面開放對我們來說意味著我們將不再對任何的聚會限定參與人數或要求必須預先註冊。但是，我們在這過渡時期將繼續維持安全條規並維持線上的各項聚會。
- 我們對全面開放的期許是所有的事工最終都將以實體全面運作，同時完全理解並支持各個事工因為考慮弟兄姊妹的需要而仍然提供線上聚會。
- 我們渴望教會全體在這過渡時期能以合一團結、以恩典相交、並以禱告尋求神而一起向前邁步。
- 我們將從主日崇拜聚會開始實施，接著鼓勵其他一切事工的帶領同工並他們的團隊同工從為了教會肢體的益處著想而開始預備事工全面開放的服事。
